

Frankfurt, 18th March 2017

AHT at the ISH Exhibition 2017 - Germany

The unique AHT Advanced Amorphous Metal Ribbon Technology was presented in a very effective way at the **ISH 2017 Exhibition** in Frankfurt between 14 – 18 of March 2017. Many new contacts were made from interested companies from many countries such as Germany, USA, Sweden, Romania, Belgium, Bulgaria, Georgia, Romania, Greece, Cyprus, Saudi Arabia, Republic of Moldova, Hungary, UAE, Qatar, Mongolia etc. We would like to thank Mr Sergio Bandini the Managing Director of Bandini International Group for their kind hosting and all the help they provided.
